

vanity

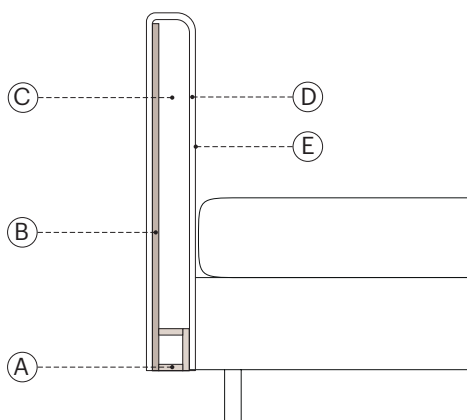

design bolzan LAB

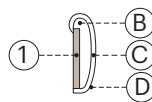

Fresca sobrietà di linee e volumi, per un letto che si trova perfettamente a suo agio negli ambienti classici come negli spazi più moderni. La testiera arrotondata si ispira alla tradizione, idealizzandola in un segno grafico pieno e accogliente. La trasversalità del progetto viene ulteriormente enfatizzata dalla possibilità di scegliere la base con contenitore.

Fresh sobriety of lines and volumes, for a bed that is perfect in classic environments as well as in more modern spaces. The rounded headboard is inspired by tradition, idealizing it in a full and welcoming graphic sign. The transversality of the project is further emphasized by the possibility of choosing the base with storage box.

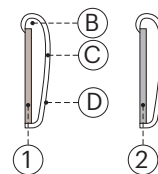

informazioni tecniche / technical info:
