

Quadra, Wave, Petalo versions

It is possible to carry out digital printing only on the front panels, on White Dover lacquer finish and in the fixed configurations shown in the "Decoration" section.

Proportions of prints vary depending on the size of the panel. Features and colour of print are indicative and could slightly vary, with reasonable tolerance.

By placing the order and by related confirmation, client accepts these tolerances.

N.B.: Always specify the name and fixed colour combination.

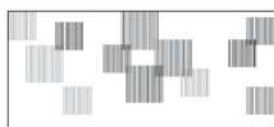

- Customised decorations or changes to the fixed colour combinations are not possible.

- Petalo print on bunk beds fronts can be applied only on one front, upper or lower.

Prints on lower front panel

N.B.: Cannot be used in the BOARD and SOFA versions

QUADRA

PETALO

WAVE

Specify right or left side

Code

KADUINLFA

Lower front with bed base

Prints on upper front panel

QUADRA

PETALO

WAVE

Specify right or left side

Code

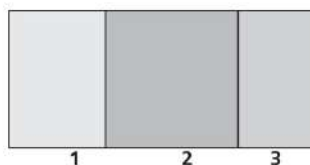

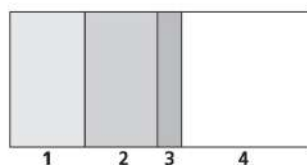

KADUOSUPFA

Upper front with bed base and ladder
