

## Rialto by Emmanuel Gallina

IT Geometrico e audace, con una personalità dirompente e sorprendente. Un letto che, con il suo stile unico e inconfondibile, diventa protagonista degli ambienti notte. Le forme moderne e rigorose, mitigate da angoli arrotondati, sono cadenzate da fasce distanziali di grande impatto decorativo, realizzabili in essenza con finitura laccata o metallica. La testiera, con il doppio pannello trapezoidale e la sua peculiare estetica, si rivela elemento caratterizzante e distintivo. La struttura, interamente imbottita, può essere personalizzata nel rivestimento con tessuto sfoderabile, pelle o pelle sintetica.
